Intensive Faith Therapy – Personal Success Lifestyle Series

True success is not a one-time project or goal. It is a lifestyle which is unique to each of us. Our Personal Success Lifestyle series is designed to help support your personal success. This teaching series consist of 8 modules, making it perfect for a multi-day conference or retreat setting. The units include The Mind, Imagination, Discovering Your Purpose and Passion, Affirmations, Releasing Doubts and Fears, Meditation, Visualization, and Imaginative Prayer. Participant’s workbook is also available.

Passion, Gifts and Technology – Impacting the World with Your Service

Social media and technology make it easier than ever to impact the world with your passion and gifts. This series was designed for ministerial training but can be easily modified to fit other audiences. The program consists of 3 units, making it perfect for a single day training or seminar program. The units include: His Purpose – Your Passion, The Gifts of the Holy Spirit and True Evangelism: Reaching People Where They Are Through Social Media. Participant’s workbook is also available.

Intensive Faith Therapy

Many times we find ourselves feeling that God has not delivered on His promises. We have believed God to the best of our abilities, yet we have not received what we expected. This results in our faith being hurt and injured. This study, based on Minister Collins’ book “**Intensive Faith Therapy**,” is an intense examination of our trust, hope, faith, praise and thoughts toward God. This program can be tailored to fit your speaking needs; as a one-day seminar, weekend retreat or multi-week study program via Skype.
